Global Employee Stock Ownership Plan (GESOP)

an employee stock purchase plan – ESPP

Plan Highlights

- Purchase Boston Scientific Stock at a 15% discount! The purchase price is calculated by using 85% of the market price at the beginning or ending of the offering period, whichever is less.
- You may contribute from 1% to 10% (up to annual IRS limit) of your eligible earnings through payroll deductions on an after-tax basis. The annual IRS limit is **\$25,000** and is based on the value of the stock on the first day of each offering period.
- There are 2 six-month offering periods for which payroll contributions are accumulated: January through June and July through December.

Eligibility

- All regular full-time or part-time employees scheduled to work 20 hours or more per week are eligible to participate in the GESOP provided they are employed on the first and last day of an offering period.

How to Enroll:

- Decide on your contribution rate (1% to 10%)
- Contact **E*TRADE** Corporate Services at www.etrade.com/enroll
- You will need:
 - Boston Scientific's stock ticker, **BSX**
 - Your last name
 - Your employee ID number

Managing Your Account

Access your account on-line at www.etrade.com or call **E*TRADE** at 1-800-838-0908.

Through your E*TRADE account you can:

- Obtain account information
 - Change contribution percentages during an open enrollment period to be effective for the next offering period.
 - Withdraw participation at any time, except during the last 10 business days during an offering period. You will receive a refund of all payroll contributions from that offering period as soon as administratively feasible.
 - Sell shares of stock purchased under the GESOP.
 - Certify your tax status. Certification is required since **E*TRADE** might at some point assist you with the sale of your stock purchased under the GESOP. If you do not certify and decide to sell your stock, your proceeds may be subject to backup tax withholding.
